Journal of Independent Studies and Research Computing

ISSN: 2412-0448, E-ISSN: 1998-4154

Journal of Independent Studies and Research Computing (JISRC) is a biannual peer reviewed publication of SZABIST. As Pakistan's first online refereed journal, this initiative seeks to encourage and stimulate research in Pakistan by providing a means to facilitate reporting and dissemination on current research being conducted in the diverse field of Computing Technology. Being an e-Journal, it has a reach both at national and international level.

Scope:

The scope of the journal includes, but not limited to, the following:

1. Theoretical and mathematical aspects of computing
2. Artificial intelligence
3. Automata and formal languages
4. Computational biology and bioinformatics
5. Computer communication networks
6. Data science
7. Cryptography
8. Image and voice processing
9. Internet of things
10. Quantum computing
11. Software engineering
12. Wireless networks and mobile computing

Indexing:

Journal of Independent Studies and Research Computing is now indexed in the following:

1. Directory of Research Journals Indexing
2. Academic Resource Index
3. International Scientific Indexing
4. Google Scholar
5. UlrichsWeb
6. CrossRef
7. CiteFactor
8. Scientific Indexing Services

Submission:

The manuscript must be submitted through online submission system of OJS on the official Journal website
